Hi Angela,

You, Tony and I are scheduled to meet on Monday re: Swinomish. Tiffany and I are trying to set up a time to meet with Larry after we've had a chance to talk internally with Tony.

I told Tiffany you were at Science Panel on Wednesday and Thursday - but I wanted to check in with you about your availability for a call with Larry, Fran, Tiffany, and me next week. I'm assuming Wednesday is completely out, and Thursday morning too (and I think you do have these blocked off on your calendar), and it looks like 9-2 on Friday are clear on both of our calendars, but I wanted to confirm before I got back to Tiffany.

Hey Lisa,

I just talked with both Fran and Larry and Tuesday unfortunately doesn't work for either of them. Fran is in the Commission meeting and Larry is chairing a two-day climate meeting that day. If Angela is not available on Wednesday or Thursday, could we potentially schedule on Friday, the 26th? Both Larry and Fran are available after 12pm that day. If that could at all work for the two of you, that would be really great.

Thanks for working through this with me, Tiffany

Hi Tiffany,

The first time I was able to schedule both our grants program manager as well as Angela was on Monday afternoon. I think we could probably meeting very shortly after that, perhaps Tuesday. And at the moment, Angela and my schedule look open on Tuesday from 9-2. Wednesday and Thursday don't look good because Angela has to participate in the Science Panel 2-day meeting.

I am sorry for the additional delay – please let me know what you think of Tuesday as a possibility.

Great, thanks. I would want you to be able to talk with your manager of the grants unit before we have another meeting, but as soon as we can schedule this, I would be appreciative. I'm heading downtown for the PSP communications strategy workshop right now, but should be able to check my email later in the day and will then be back in tomorrow morning.

Thanks!  
Tiffany

Hi Tiffany,

Thursday afternoon would work great for me, but I have to check with Angela. I sent her a message just now and hope to hear back from her shortly. I will let you know. I apologize; it is our grants busy season and the acting manager of the grants unit has not been able to turn his attention fully to this and may not be able to do so by Thursday.

Hi Lisa,

I wanted to check back in with you regarding the rescheduling of Swinomish's meeting. I'm getting some pressure from Larry to reschedule as soon as possible. Would you and Angela be available on Thursday? Both Fran and Larry are available that day. They may also be available on Friday, but I would need to double-check.

Thanks,  
Tiffany

Tiffany and Larry,

My apologies, but we would like to reschedule this morning's meeting. We'd like to better examine all the material before us, and also involve our grants specialist, in this discussion to ensure we make the best use of everyone's time.

We will send some available times for us shortly. Again, our apologies, but we want to ensure we are fully prepared for the discussion.

Lisa
